

CASE STUDY: UNIVERSITY OF NEWCASTLE

OBJECTIVES FOR UON

- This session was exclusively for international, exchange and study abroad students
- Create a welcoming, inspiring and engaging Opening Session to University
- Inform students of life in Newcastle and life at UON
- Provide students with important information about safety on campus, counselling and well-being services and academic support

"I can recommend Natasha and The FRANK Team for any project where enthusiasm, passion and results are required...."

Nicole Woll

University of Technology Sydney

SESSION DETAILS

- Opening fun speednetworking activity
- Short and inspiring TED.com video on success
- Short videos on life in Newcastle as well as videos for international students on campus
- Students discuss and write down on jumbo speech bubbles what success means for them (See picture above)
- A short Q&A with key staff and community members (to highlight services like academic support, campus safety etc. available to students)
- A short Q&A with 3 Uni students (to highlight key leadership programs and extra-curricular opportunities)
- Goal Planning Postcard Activity

Feedback from students was that they really enjoyed the networking and interactive activities....
